WELSH "EXILES" FROM LONDON.

Our visitors to-day were last with us in January, 1955 and we extend to them as hearty a welcome as ever. We know full well that they will give us a good hard game and undoubtedly our XV. will be fully extended. We are fielding a very strong side and can look forward with confidence to a very close game. Since we renewed fixtures with the "Welsh" in 1947 we have had the edge as far as results are concerned and have recorded several wins at Herne Hill, which has proved quite a happy hunting ground.

With the County matches over, as far as our Club players are concerned, we can look forward to fielding our strongest XV. and I feel our record will soon be looking much better. The result of last Saturday's game, coupled with the excellent play on a very sticky "wicket" was most gratifying and our Captain and Team are to be heartily congratulated.

Next Saturday we entertain Cardiff and while it is unfortunate that Wales are playing England at Cardiff Arms Park we know they will bring a very strong XV. and play their usual bright open game. Let's hope the weather will be kind when we can be assured of a fine game of Rugger.
