THE LAVENDER and BLACKS.

We welcome Clifton this evening and look forward to our usual once a season hard and even game with them. One of the oldest clubs in the country - they have been running since 1872 - we have met them practically every season since then in games which have always been keen and enjoyable. They are now well established at their well appointed ground at Eastfield Road, where they recently opened a splendid new club house in which to entertain their visitors.

Their last visit here was on October 6th, 1955, when we just managed to win by a single point, 3 t. to 1 g. 1 p.g., the Bath scorers being Rees, Van Heirdon and Smart, all of whom have left us for pastures new. Last season at Westbury they got 4 p.g's against our 1 p.g. 2 t., so won rather unexpectedly by 12 points to our 9. Ken Miners - how we could do with him now! - got 2 tries and Phil Hardy the penalty. This evening's should be anybody's game. E.
