WELCOME ! BEDFORD

We welcome Bedford today and are very pleased indeed to renew acquaintances with them. They were on our card for two or three seasons in the years just previous to the war and games with them, both here and in Bedford were always most enjoyable. When we visited them it was one of our longest journeys—necessitating going through London and it was solely this which caused fixtures with them to be suspended. Our followers can be assured they will give us a good game for our last at home. Included in their side is A. C. Towell, capped in '48 and '51. With Northampton, of course, Bedford has always supplied most of the players to the East Midland group which invariably do so well in the County Championship and who were champions in '51.
