BLACKHEATH

GRIT

THEIR

TEETH

FOR a century or more Blackheath have been known by their nickname, "Club". The "Club" is, in fact, on its toes as never before this season for their poor form last season nearly landed them in relegation, two points only separating them from Plymouth Albion who suffered "the drop" from Division 2.

It is not encouraging for them that the Pilkington Cup game with their traditional rivals, Richmond, ended 22 - 12 pts. against them.

However, they are gritting their teeth and if determination to succeed means anything, they will have a better season. Good luck to them.

We welcome all players, officials and supporters from this famous old Club.
