It is a month since the United have had a match on the "Rec". On that day some splendid football kept a good crowd happy. True, the team will be shorn of some of its stars, promoted to the first team, but on the other hand some of the first XV are unable to travel to Portsmouth and will turn out for the United.

Today we entertain Berkshire Wanderers, a team noted for good sporting play, and given the conditions, we hope to have a really open game.

Congratulations to those of the United who have gained first team status. There are others in the offing. Watch them today.
