The United have not played on the "Rec" since 11th January, when they defeated Frome. Indeed they have been able to play only one game since that date, and that was at Chippenham a fortnight ago when a very disorganised side lost by 8 pts. to 3.

With the season drawing to a close it is well to reflect on the value of the United to the Club. Their playing record is only fair considering the strength of their fixture list, but any amount of their players have given yeomen service to the first XV. in one of the most successful seasons the premier side have ever had. Others, such as Johnny Risk, K. O'Shaughnessy and Charles Burrough, started their season with the United but played so well on selection for the first that they have remained there.

The value of the United therefore cannot be lightly regarded. They are a definite asset to the Club, and should be supported.

Avon R. C. are our visitors to-day. In October, at the Horse Show Ground the United were hard pressed to get a 9 pts. to 3 win, and Avon will sure to be out to avenge this. In their team are a number of players of long experience, and an ability to play the football the spectators like. We hope both sides do so to-day.
