# THE GALLAGHER WAY

Our game is about protection for businesses and communities, in more than 150 countries.

And like you, we've been committed to supporting rugby for some time. 20 years in fact. As your community insurance broker, we're here to help protect what matters most to you and your local club.

Our tailored approach to insurance broking, risk management and consulting services allows you to continue to enjoy memorable moments both on and off the pitch.

All with the confidence that we've got your back.
