### Our Captain.

Our Captain has received countless messages of congratulation on his selection for England but on behalf of everyone in the crowd to-day, this is to extend to him our very best wishes that he will have a real good game on Jan. 5th and fully justify the confidence that the English Selectors have placed in him. That he will do this we Bathonians who have watched his progress during the past four seasons are very certain.

Alec's first game for Bath was v. Swansea here on Sept. 18th, 1948, and he got his first try for us on the following Saturday v. Devon Services, here. Since then he has done wonderful service for us as the following shows. 1948-49 33 games - 17 tries 1949-50 28 games - 5 tries. 1950-51 31 games - 12 tries, 8 gls, 4 pen. gls, 1 d. gl. 1951-52 10 games including to-day - 7 tries, 4 p. gls. Owing to International Trials and County games we have not seen him since the Metropolitan Police game on Nov. 17th. Alec is now in his second season as captain and in this capacity both on and off the field, he has rendered the club and the game in Bath and district wonderful service and long may it be so.

### The Cherry and Whites.

We extend our usual very cordial welcome to our old friends from Gloucester to-day, knowing full well that they will provide a hard fast open game. This they have done for very many years now so that we look upon them as one of the very best and most attractive sides to visit us. We congratulate Bill Hook on his being selected again for England and wish him all the best with Alec. Our followers will be disappointed that he is not playing to-day and remember how well he performed here for H. B.'s XV.

Gloucester are having an exceptionally good season having lost only 3 games, and their list is probably stronger than ours. No one still knows what happened to us last season at Kingsholm when we lost by 27 pts. to 3 pts., but here at home we won by a goal and a penalty goal to a penalty goal, Bill Donnelly getting the try and Paddy the two goals. The season before we just won here by a goal and 3 penalties to a goal, a penalty goal and a try. We shall have to do much better than we did at Weston last week if we are to register another win.

### Tickets.

Tickets for the International and for the Bristol game will be drawn for and posted over the week end. For the match at Twickenham on the 5th, all applied for have been received except eight, so that only eight members must be disappointed. For the game at Bristol it is a far different story as only 12 for the stand have been received out of 86 applied for.

Everyone who applied will get a ticket of some sort and should anyone who applied for stand, ring or enclosure, not require a ground ticket instead, the Hon. Sec. would like to know.

And now—Christmas Greetings and Best Wishes for the New year from—the Captain, Players and Committee.

### Boxing Day.

Bath v. Old Blues. Kick off 2.30 p.m.
