DISCOVERY

NEVER STOP DISCOVERING

ABOVE & BEYOND

Come rain, snow or shine Discovery is made to meet outdoors head on. With plenty of loadspace you can surf at dawn, ski in the afternoon and ride over lunch. To help, our Terrain Response 2 system* auto adjusts to multiple surface conditions, leaving you free to go to the next spot, slope or hillside. Just remember to hang on to your hat.

landrover.co.uk

Official WLTP Fuel Consumption for the Discovery range in mpg (l/100km): Combined 23.6-33.6 (12.0-8.4). NEDCeq CO₂ Emissions 222-194 g/km. The figures provided are as a result of official manufacturer's tests in accordance with EU legislation. For comparison purposes only. Real world figures may differ. CO₂ and fuel economy figures may vary according to factors such as driving styles, environmental conditions, load and accessories. *Optional.
