Club News

TO-NIGHT we meet Bath who are always welcome because of their open play. They have secured six places in the Somerset Trial and some interesting play should be witnessed.

Exeter have won all four fixtures to date and deserved their win at Torquay on Saturday. A pleasing feature is the improvement of the forwards in the line out and loose play. They did grandly in the first half on Saturday at Torquay. A little more strength on the left wing, a little more coolness in the centre in passing and a little less orthodox running by the backs, and Exeter will have a good season. The Captain and his scrum half are on tip top form and the main strength of the side.

Devonport Services will be a severe test on Saturday.

Congratulations to L. Davies on being picked in the All-England Civil Service side on Thursday. He played a grand game in the line-out and loose on Saturday at Torquay.

Best of luck to Brown and Heard to-morrow in the County Trial.

J.C.

Supporters' Club Jottings

Hearty congratulations to the Team on their fine win at Torquay on Saturday.

SUBSCRIPTIONS. Will old Members, who have not yet paid their 1949/50 Subs., kindly let our Treasurer have them as early as they conveniently can.

Thank you.

AWAY TRIPS. As British Railways are now making very satisfactory arrangements for these we propose taking advantage of them. The next one is a 7/6 one to Weston-Super-Mare on the 8th October. Will those intending to travel on that occasion please let our Hon. Secretary have their names **quickly**. We want a minimum of 25.
