**BRISTOL
FOOTBALL
CLUB (R.F.U.)**

**SEASON
1951 - 1952
Memorial Ground
Filton Avenue**

It is our pleasure and privilege this afternoon to welcome to the Memorial Ground the Rt. Hon. the Lord Mayor of Bristol (Alderman R. F. Lyne, J.P.). We hope he will enjoy the game and come to see us again before the close of the season.

We have as our visiting team our old friends and rivals from the Sister City up the Avon, and it goes without saying how pleased we are to receive them once again, for the spirit between the two Clubs is better now than it has ever been. Another factor, more materialistic perhaps, is that Bath invariably bring a good number of followers with them. The Bristol Hon. Treasurer thinks this is an admirable custom and hopes it will long continue! Last season was a record one for Bath with 27 wins—13 of them away from home, and as we were the victims on two occasions, we cannot be accused of being unduly partisan if we hope that this afternoon Bristol win this local Derby—just by way of a change. It behoves our players however not to be too lax in the giving away of penalties as Alec Lewis and Paddy Sullivan are in good kicking form and will make us pay in full. Bathonians are fully alive to the fact that their Rugger future lies with the Schools and Junior Players, and have promoted a fund for the provision of a well equipped Memorial Ground dedicated to players who fell in the war, which will be for the use of Junior Clubs.

Bristol's victory at Exeter last Saturday despite the fact that ten players were engaged in the County Match is now a matter of history, but we know our supporters will join with us in saying "Well Done" to the depleted but undaunted team. The reconstituted United XV also had a field day against Chippenham.

The collection today is for the funds of the P.D.S.A. Although that little mongrel annoys us sometimes by holding up play when he chases after the ball he can well claim to be a Rugger enthusiast and deserving of our aid when he is in trouble.

Harlequin Match.—Supporters who wish to join the train party on November 3rd, are requested to give their names to Mr. Ellicott. Transport from Paddington to Twickenham and return will be arranged.
